

The 2008 Bluegrass Arabian Horse Association's "Breeders Futurity" was a resounding success! Surpassing the record setting 2007 edition. With over \$2,500.00 in possible purse payouts, participation was up in all divisions including the new performance "Maturity" classes. The 2009 edition looks to be even bigger and better!

A special thanks to Firelight Arabians for sponsoring all divisional champion trophies, to Foundation Farm for sponsoring all champion, reserve champion, and top five neck ribbons, and to K.E.E.P. for sponsoring all of the futurity classes.

With the success of the "Stallion Service Auction", with all proceeds going to the Futurity program. We want to thank all Owners who graciously donated a breeding and to the lucky winning bidders. The 2009 edition will once again provide the opportunity to purchase a breeding to some very special Stallions at a very good price.

Come join the fun and make some \$'s while you are showing off your breeding program. The 2009 nomination forms and program rules are available at [kybaha@aol.com](mailto:kybaha@aol.com) or contact [rick.tosch@martinrea.com](mailto:rick.tosch@martinrea.com) (502-321-8986).
